

MEMORANDUM FOR: THE DIRECTOR

Sheff Edwards and I had a very pleasant talk with Judge Bryan in regard to his letter which asked if our move to Virginia would add to his workload. We agreed it would but not to a great extent, although it is impossible to predict accurately what the load will be. He is primarily concerned with traffic violations, and we felt that probably we could combine our hearings on violations with those of the Pentagon before his Commissioner. I will get him some more information he wants on exactly how GSA will handle this problem, but otherwise Judge Bryan is quite
